Dear Parents,

We have attempted to shorten the supply list as much as possible and still allow us to have the materials we need in order to have a successful school year. Please note that some items are difficult to find by the first few weeks in August! We suggest you try to purchase the Primary Journals and specific colored folders as soon as possible to avoid rushing around at the last minute.

We look forward to a wonderful and happy school year!

God bless,

Paul Cuttica
